RE: Request for information regarding Docket No. 05-00113, *Petition of Xspedius Management Co Switched Services, LLC For Expedited Review of Central Office Code Denial*

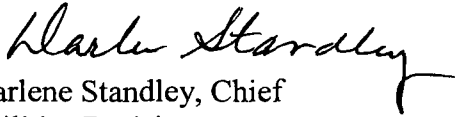

Dear Mr. Pascual:

The Tennessee Regulatory Authority ("Authority") has received the above referenced petition submitted on behalf of j2 Global Communications ("j2"). In order to appropriately evaluate this petition, the Authority Staff needs additional information from j2, Xspedius' customer, as specified below.

1. Provide a copy of j2's registration with the office of the Secretary of State for Tennessee.
2. Identify specifically where j2 is providing, or is planning to provide, service in Tennessee. Identify the specific rate centers.
3. Explain why, other than the cost of porting telephone numbers, j2 cannot use one-thousand blocks of numbers for its start-up, or expansion, business plans.
4. For the rate centers identified in item 2 above, provide documentation showing a need for 10,000 telephone numbers upon initial offerings.
5. If j2 is currently providing service, provide documentation showing a need for 10,000 telephone numbers for its expansion of business in each of the rate centers identified above.
6. Please provide information detailing how number porting from j2's service provider, Xspedius, to j2, the customer, is appropriate.

It is requested that this information be provided no later than 2:00 p.m. on May 16, 2005, and that you reference Docket No. 05-00113. In accordance with TRA rules submit either (1) thirteen written copies of your responses, or (2) four written copies and an electronic version. Should you have any questions regarding this request, please contact Lewis De Board at 615-741-2904, extension 219.
